Nalgonda

Sir/Madam,

We bring to your kind notice that Osmania University is celebrating centenary celebrations from 26th April, 2017 to 28th April, 2017 with 3 day inaugural function scheduled during April 26th-28th, 2017.

In this connection, Osmania University is organizing a Pre-Centenary celebration and Prof. Kurt Wuthrich, the Nobel Laureate will deliver a public lecture on "**Congratulatory Message to Osmania University at its Centenary : Reflection on My Half-Century in Science**" on 10th February, 2017 at 4.30 pm at Tagore Auditorium, Osmania University campus, Hyderabad. Prof. Kurt Wuthrich, a Nobel Prize winner in Chemistry in 2002, is currently the Professor of Bio-Physics at the ETH, Zurich, Switzerland.

Hence, I request you to suggest the faculty of your college to attend the lecture and get enlightened. Please arrange to circulate the invitation attached among the faculty.

Look forward to your support.

Note : Online link will be provided to view the programme shortly.
