Sub: Implementation of Mandatory Internship Policy for B.Tech Final Year
Students – Reg.

Sir/Madam,

I am directed to inform that, in accordance with the academic reforms and with a view to enhancing industry exposure, employability skills, and practical learning outcomes of students, it has been decided to implement a Mandatory Internship Policy for all B.Tech final year students of the University College of Engineering and Technology, Mahatma Gandhi University, Nalgonda.

Accordingly, all B.Tech final year students shall be required to successfully complete an internship in an approved organization such as industries, research institutions, government organizations, startups, or reputed academic institutions, as per the norms prescribed by the University.

The following points may be noted for strict compliance:

The internship shall be mandatory and form part of the B.Tech curriculum for final year students.

The duration, evaluation, and credit requirements shall be as per the guidelines issued by the University/AICTE from time to time.

Students must submit internship completion certificates and reports within the stipulated time for evaluation.

The concerned departments are requested to monitor, guide, and facilitate students in identifying suitable internship opportunities.

Non-completion of the internship will be treated as non-fulfilment of degree requirements.

The Principal is requested to bring the contents of this circular to the notice of all Heads of Departments, faculty members, and students concerned and ensure strict implementation of the above policy with immediate effect.
