From the VC's Desk

We are elated to bring out this new edition of the MGU Newsletter. This edition is an eloquent expression of the progress and outstanding achievements of faculty and students of MGU. This magazine is an insignia highlighting a plethora of academic and extracurricular activities that MGU undertakes to develop great leaders and learners. The year started with the flagship Entrepreneurial Awareness and Industrial Motivation Campaign

This provided us with enough zeal to carry out various lecture series and FDPs. Continuing with its legacy the institute secured prominent MoUs from various institutions like the Business world, and Education World. Further, to make students more industry-ready such as CMET, TASK and ICAI etc.

I am also delighted to inform you that Prof Tumma Krishna Rao, Professor of Philosophy, Osmania University, who has got rich experience in academics and administration has been appointed as a new Registrar of our MG University. I am sure under his able administration university will be able to establish new standards in all spheres.

As you go through the newsletter you will witness how students express their managerial and leadership skills in organizing, collating and executing creative and well-planned events throughout their academic year. The students and their achievements, yet once again proved that our students want to create a landmark in the academic world. The resolve of our students is also evident in the gamut of events organized by various student-led clubs and committees and how they manage tough academic studies along with the demanding work of organizing various events.

The sincere efforts put in by the entire team of MGU management system in providing the support have played a huge part in making this Newsletter possible. We hope the readers, enjoy reading it as much as we enjoyed working on it.

We will be back with another edition of the MGU Newsletter soon.

Happy reading,

Thanking everyone,

Prof. Ch. GOPAL REDDY

Vice-Chancellor

Mahatma Gandhi University, Nalgonda

Important Events

8th Telangana State Formation Day Celebrations

Prof. Ch.Gopal Reddy, paid tributes to the freedom fighters who fought for the cause of separate state of Telangana.

in his message, he said that, we have a greater responsibility in the coming years to live up to the expectations of the state, let us serve as a catalyst in driving the knowledge-driven society of our Telangana State and also commit ourselves to work for Golden Telangana on this Formations Day. It is critical for designing, adopting and implementing required values for a better state”.

“In these two years of pandemic outbreak, the nation has been successful in not only researching and producing Covid19 vaccines for our citizens as well as for other nations; but also working towards containing

of awareness to curtail the spread of pandemic in India. Though the new variant causing the third wave is quite active, it’s shown to be less virulent and I am confident that we as a nation will come out of this stage too.

I request all my students and colleagues to follow all the Covid rules and regulations in place to make our campus safe and free from Covid19. Let us all own our MG University and place its interests first and grow in your chosen fields with unbound limits. We pledge that the university, the society and the Nation come first and individuals later”, Prof. Ch.Gopal Reddy said.

New Appointments

Prof. Tumma Krishna Rao took charge as Registrar of Mahatma Gandhi University on Monday, 31-01-2022. Prof. T.Krishna Rao worked as Department of Philosophy, University College of Arts & Social Sciences, Osmania University. Speaking after assuming the charge as the University Registrar, he said that he would strive for the development of the university and improve the quality of education. Prof. Tumma Krishna Rao has over thirty years of teaching, research and administrative experience. He has published many research papers in various National and International Journals and presented research papers at Conferences. He guided many Ph.D. scholars in the field of western and Indian Philosophy among them

Prof. Tumma Krishna Rao

four scholars were awarded Ph.D. Degree and six research scholars submitted their theses. He also held several administrative positions-such as Director, PG Admissions Osmania University.

New Initiatives

On February 04, 2022 Mahatma Gandhi University has organised World Cancer Day. Vice Chancellor of the university Prof Ch.Gopal Reddy addressed the gathering and opined that awareness is nothing if not acted

upon. Most cancers are preventable if we carefully watch our lifestyle. Some of them are slow-growing as tissue changes take time and regular screening can pick them up for earliest intervention. Prof Ch.Gopal Reddy also stated

that early detection and appropriate treatment can cure approximately one third of all cancers. Not only lives are saved but also the cured survivors can go back to their normal lives and contribute to society. Hence, we must stress upon the importance of early detection at every possible forum. Faculty from various departments were also present on this occasion and a 5K Run was organized in this regard to create awareness among the public.

Special Events

Sant Sevalal 283rd Birth Anniversary Celebrations

Mahatma Gandhi University Vice-Chancellor Prof.Ch.Gopal Reddy urged students to avail the opportunities coming in their way by studying hard and treading the right path in life. Participating as the chief guest at the 'Bhog Bandar' organised in connection with the 283rd birth anniversary of Sant Sevalal Maharaj, the revered spiritual leader of the Banjara community, at the university here on Tuesday, Prof.Ch.Gopal Reddy said that Sant Sevalal Maharaj was the spiritual leader of Banjara community who brought several reforms and strived hard for the upliftment of Banjaras. Sant Sevalal dedicated his life to serving tribal forest dwellers and nomadic tribes. He worked tirelessly to dispel and to eradicate myths and superstitions prevalent in the tribal communities, Sant

JOB MELA

Vice Chancellor of Mahatma Gandhi University Prof. Cholleti Gopal Reddy on Friday exhorted the students to learn the skills in tune with the requirement of the job market that would pave way for their bright future.

Inaugurating a job mela held in the university, VC, Prof. Ch. Gopal Reddy said that

the students should improve their skills and knowledge keeping in mind requirements of the industries. The university would also conduct skill development training to its students, he added.

He said that the University placement cell has been conducting job melas, in which several private companies were participating to recruit students. The students should focus on getting the jobs in campus recruitments, in which merit would be the first criteria for selection of the candidates by the companies, he added.

Placements Cell in-charge Dr. Y Prashanthi said that 23 companies participated in the job mela. About 400 students were registered their names to attend the job mela she added.
