A. Vani Prasad, IAS.,

Commissioner of Collegiate Education (FAC)

To
Sri Dr. Gaurav Uppal, IAS
Collector of Nalgonda District.

Lr. No. 1/CCE/AC- Jignasa /2017-18 dated 5 .12.2017

Sub: Collegiate Education: - Jignasa- Students Study Projects- District Level Presentation and Selection of student Study Projects by Government Degree Colleges - Invitation - Reg.

I am happy to inform you that, the Commissionerate of Collegiate Education has initiated a student-centric programme in Government Degree Colleges titled **Jignasa- Student Study Projects**.

The students studying in Government Degree Colleges were instructed to participate in project-based learning as it inspires students to obtain a deeper knowledge of the subjects they're studying. Project-based learning instills great confidence and self- direction among the students and also motivates them to acquire a scientific approach in thinking and analyzing situations.

To identify the best projects in various subjects, the Identified College of the district is organizing District Level Presentation and Selection programme of Study Projects. In this connection, I request you to grace the inaugural function as **Chairman of District Collegiate Education Development and Review Committee**. The details of the programme will be informed by the Principal of Identified College at the earliest.
