

ABOUT MAHATMA GANDHI UNIVERSITY

Mahatma Gandhi University established in the year 2007 to provide academic excellence to remote village students of the backward regions and is one of the premier institutions in Telangana State epitomizing the National agenda for higher education.

The University is providing avenues for advancement of professional qualifications and research competence through training programmes, workshops, conferences, etc., in modern areas of Science and Technology. The University has multi-faceted range of programs in Sciences, Arts, Social Sciences, Commerce & Business Management and Engineering & Technology with around 1500 students. The quality of teaching, well-equipped labs and UGC recognition of its overall performance, outstanding achievement and contributions to the advancement of knowledge.

ABOUT THE DEPARTMENT

The Department of Mathematics came into existence along with the establishment of Mahatma Gandhi University in the year 2007 and has been offering Post Graduate course and Ph.D program in Mathematics. The Department trains the students to acquire good skills in teaching and research to meet the needs of academic institutes, industries and R & D Organizations.

OBJECTIVE OF THE CONFERENCE:

Department of Mathematics, MGU organizing a National conference on Mathematics and its Applications. The main objective of this conference is to make the participants to understand the techniques and evaluating trends in the field of mathematics which will help in encouraging and inspiring the young researchers and students to undertake advanced learning in the revalues of Mathematics. Keeping in view of this the young University is making its efforts in enhancing the knowledge of faculty, research scholars and students.

ABOUT APTSMS

Andhra Pradesh Society for Mathematical Sciences (APSMS) was found there decades ago with the initial efforts of Late Prof. N.Ch. Pattabhi Ramacharyulu, the then Professor of Mathematics, Regional Engineering College, Warangal and Late Prof. P V. Arunachalam, the then Professor of Mathematics, Sri Venkateshwara University, Thirupathi & Former Vice-Chancellor, Dravidian University, Kuppam. Since its inception, APSMS has grown in size and it has been successfully organizing its Annual Congresses, providing a forum for research workers, young and old, to present their findings and for reviewing the state of the art in the specialized areas of Mathematical Sciences, besides bringing together academics for camaraderie and intellectual interaction. APSMS has been renamed as APTSMS (Andhra Pradesh and Telangana Society for Mathematical Sciences, 2018). This is only organization of its size devoted to Mathematical Sciences.
