ABOUT UNIVERSITY:

Mahatma Gandhi University was established in 2007 and is one of the young learning centers in the State of Telangana, India. Ever since its inception the University is offering courses on inter-disciplinary approach and develop them on sustainable line. This is located on state high way between Nalgonda and Narketpally

Presently the University is offering 14-PG Programmes i.e. Arts & Social Sciences; M.A Economics, English and MSW, Commerce & Business Management, M.Com, MBA (General, TTM), 5- Year Integrated MBA, Sciences; M.Sc. (Organic Chemistry, Bio-chemistry, Biotechnology, Physics, Mathematics, Geology) and 5- Year Integrated Pharmaceutical Chemistry. Engineering & Technology: MCA and BTech (CSE, ECE, EEE).

OBJECTIVE OF THE TOURNMENT:

Academic learning and sports education complement each other. They resemble the two sides of the same coin. If sports education is carried out accompanied with the academic curriculum, the overall personality of the student is increased to quite an extent. The qualities of the leadership, sharing, team spirit and tolerance are learnt from sports.

Sports education not only teaches the students to maintain the physical stamina, but also the habit of obedience, discipline, the determination to win, willpower, etc. The power of reasoning, mental development, vocational specialization comes from the academic education of the students. Therefore, sports education along with the academics result in the all-round development of the students.

The present education system makes the students more stress on their mental development. It does not providing for physical activities. The overall outcome of this activities for developing groups of graduates and professionals have strong bodies and sound mind. The curriculum should include sports, games and physical health education for the all-round development of the students.

Under this background the Mahatma Gandhi University has been organizing Inter Collegiate Sports since its establishment. Participation of students in these tournaments generates an healthy competition among the students and develops sports sprit.
