## **NOTIFICATION FOR HACKATHON INNOVATION MENTORS**

Mahatma Gandhi University, Nalgonda, invites applications from experienced Professors/Experts in EEE, ECE and CSE disciplines for providing monitoring, guidance and innovation mentoring to engineering students as part of the University's Hackathon and Innovation initiatives.

The selected experts will mentor and guide students in identifying, nurturing and developing innovative ideas and practical solutions to address real-world challenges. They will also provide technical guidance and support students in refining their concepts, developing prototypes and presenting their innovative solutions.

### **Eligibility Criteria:**

Interested Professionals / experts should preferably satisfy the following criteria:

1. Minimum 10 years of professional / service experience in the relevant field, particularly in EEE, ECE & CSE departments.
2. Experience in relevant positions such as Executive, Manager, Project Head, Team Leader, Technical Head or equivalent.
3. Demonstrated ability to mentor and guide student teams, identify technical challenges and suggest innovative solutions.
4. Preference may be given to professional having experience in innovation, product development, research, start-ups, technology development, IPR, industrial projects or entrepreneurship

The Experienced and interested Professors/Experts are invited to submit their applications to the University enclosing copies of certificates and experience if any on or before 08.10.2026 before 4.00 pm to the undersigned.
