**“By education, I mean an
all-round drawing out of the
best in the child and man;
body, mind and spirit”**

EMBLEM AND ITS SIGNIFICANCE

The Emblem of the University is designed by Sri. N. Sharat Babu. It is a round logo consisting of Dharma Chakra with Peacock feathers on top and Nagarjuna Sagar Dam in the middle. It is skirted by a Wheel and Purnakumbham with two corns on the left and the right. The name of the University figures in four languages and also a Sanskrit inscription at the bottom, "Saavidyaaya Vimukthaye"

At the top of the Logo is Ashoka's Dharma Chakra which stands for maintenance of Dharma implying cosmic order, moral principles and spiritual enlightenment.

The Peacocks perched on either side of the Wheel are a representation of the National Bird. At the center of the logo are cascades of water gushing out of the Nagarjuna Sagar reservoir located at Nandikonda hills of Nalgonda District.

The reservoir irrigates several lakhs of acres of lands in the districts of Nalgonda, Khammam, Krishna and Guntur. It is a symbol of national pride and a place of tourist importance for visitors from home and abroad.

The water reservoir is skirted by a wheel on all sides representing industry. The University seeks to establish liaison between the industry and itself in its march towards industrial growth.

The colorful Kalasham (Purnakumbham) in the logo has local relevance, historical significance and religious sanctity. The Kalasham is an auspicious icon and signifies perfection and knowledge. The Kalasham is a relic of the ancestry preserved in the fort of Deverakonda in Nalgonda District.

At the bottom of the Kalasham is a book representing knowledge and learning, the very essence and soul of a University.

At the bottom of the logo are two corns symbolizing greenery, granary and fertility.

The Sanskrit inscription, "Saavidyaya Vimukthaye" spreads the divine message that "good education leads to the liberation of minds from evils and inculcates virtues".

Nomenclature of the University in four languages - English, Telugu, Hindi and Urdu is a symbiosis of the international language (English) with the local and national languages.

Finally, the University named after the Father of the Nation, Mahatma Gandhi, anticipates the spirit of tolerance and non-violence among the students as well as the faculty.

"Live as if you were to die tomorrow. Learn as if you were to live forever."

ABOUT MAHATMA GANDHI UNIVERSITY

The Government of Andhra Pradesh established Nalgonda University in the year 2007 vide Government Orders in G.O.19/HE (UE-II) Department, dt:13/3/2007 by suitably amending the Andhra Pradesh Universities Act 1991 under Section-3(1) in LABill No.4 of 2007. The establishment of this University is part-of the vision of the Government of Andhra Pradesh to promote access, equity and inclusiveness in Higher Education. The University Head Quarters were located in Nalgonda town its permanent campus is developed in 240 acres of land allotted to the University on the State highway (Nalgonda- Narketpally) at Anneparthy, 10 kms from Nalgonda town and 90 kms from Hyderabad.

This University has been renamed by the Government of Andhra Pradesh as MAHATMA GANDHI UNIVERSITY by amending the Schedule of Act 4 of 1991, which was published in the A.P. Gazette on April 28, 2008.

The Mahatma Gandhi University was empowered by UGC to award degrees as specified under Section 2(f) of UGC Act 1956 vide UGC letter No. F9-3/2008 CPP-1, dated: 04.03.2008.

This University has been declared eligible to receive Central Government funding under section 12(B) of U.G.C Act 1956 vide UGC letter No. F9-3/2008 (CPP-1/PU), dated: 16.05.2012.

The University has been accredited by NAAC with 'B+' grade on dated 10-06-2023.

VISION:

The University is committed to the cause and promotion of academic excellence. The University has an agenda of tapping & developing human resources in tune with the changing times. The University also has plan to reach out to the industrial sector in and around its jurisdictional area.

MISSION:

- Production, dissemination and advancement of knowledge through scientific methods using latest technology.
- Harnessing human resources for the benefit of the local people and at the State and National levels.
- Involving the faculty and the students in community development projects through extension programmes.
- Establishing liaison with the industry through training of students as trainees during their study period.
